

EMMA JOHNSON

Electrical Assembler

PROFESSIONAL SUMMARY

Detail-oriented Electrical Assembler with two years of hands-on experience in the assembly and testing of electronic components. Proficient in reading schematics and performing detailed quality inspections to ensure compliance with safety standards. Committed to enhancing team productivity and operational efficiency while continuously expanding technical skills to support project goals.

WORK EXPERIENCE

Electrical Assembler  May / 2024-Ongoing
Blue Sky Innovations  Chicago, IL

1. Dismantled and reassembled high voltage equipment, ensuring compliance with safety protocols.
2. Interpreted technical documents and work orders to verify parts and quantities for assembly.
3. Read blueprints and wiring diagrams to accurately assemble components according to specifications.
4. Utilized pneumatic and hand tools effectively to complete assembly tasks.
5. Performed physical tasks including lifting and maneuvering heavy components safely.
6. Trained team members on assembly techniques to improve overall productivity.
7. Conducted regular quality inspections to maintain high standards of assembly integrity.

Electrical Assembler  May / 2023-May / 2024
Lakeside Apparel Co  Chicago, IL

1. Installed wiring harnesses, PC boards, and electronic components as part of assembly processes.
2. Troubleshoot and repaired electro-mechanical systems, ensuring operational efficiency.
3. Documented system faults and repairs in tracking systems to maintain accurate records.
4. Tested and calibrated printers to ensure functionality prior to deployment.
5. Configured firmware and software for printers, enhancing operational capabilities.
6. Conducted quality assurance tests on electronic components to ensure compliance with specifications.

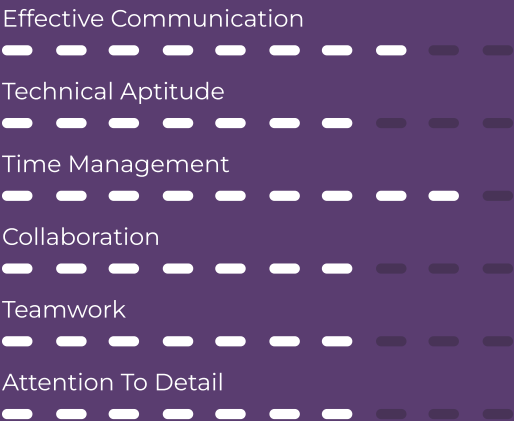

EDUCATION

Associate of Applied Science in Electro-Mechanical Technology  May / 2022  May / 2023
Technical College of Cityville  Denver, CO

Focused on the principles of electrical and mechanical systems, emphasizing hands-on experience in assembly and troubleshooting.
