PROFESSIONAL SUMMARY

Proficient Electrical Project Manager with 5 years of extensive experience in the electrical industry, adept at managing projects from initial design through execution. Expertise in budget management, resource allocation, and ensuring compliance with industry standards.

WORK EXPERIENCE

Electrical Project Manager

📅 Jan / 2021–Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Supervised a team of electrical technicians, ensuring quality workmanship and adherence to safety protocols.
2. Designed and built control panels, motor starters, and conducted lighting repairs to meet project specifications.
3. Installed and tested new circuits for outlets, lights, and lighting controls, ensuring compliance with electrical codes.
4. Negotiated and prepared purchase orders, subcontracts, and managed cost control budgets for various projects.
5. Provided monthly budget forecasts to the financial department, enhancing financial tracking and reporting.
6. Ensured project schedules were met by effectively managing resources and prioritizing tasks.
7. Adapted project priorities based on changing customer needs and resource availability, maintaining project momentum.

Electrical Project Manager

📅 Jan / 2020–Jan / 2021

Lakeside Apparel Co

📍 Chicago, IL

1. Directed engineering project management for Traction Power Substation manufacturing, ensuring quality and compliance.
2. Managed a multimillion-dollar budget, optimizing financial resources for maximum project efficiency.
3. Participated in project estimation for high-rise buildings and the Kuwait Naval Base, contributing to bids exceeding \$100M.
4. Oversaw construction management for electrical infrastructure across three major multimillion-dollar projects, including cabling.
5. Coordinated with subcontractors for storm repairs and other construction responsibilities, ensuring project continuity.

EDUCATION

Bachelor of Science in Electrical Engineering

📅 Jan / 2019 – Jan / 2020

University of California

📍 Phoenix, AZ

Studied electrical systems design, project management, and renewable energy technologies.

SKILLS

Electrical Installation Techniques

Electrical Testing Equipment

Conduit Installation
