ACHIEVEMENTS

★ Reduced testing time by 20% through process optimization.

★ Achieved 98% compliance with industry standards in testing protocols.

PROFESSIONAL SUMMARY

Detail-oriented Electrical Test Engineer with 5 years of experience in testing and troubleshooting electrical systems. Proven ability to enhance product reliability and performance through rigorous testing and analysis.

WORK EXPERIENCE

Electrical Test Engineer

Pineapple Enterprises

📅 Dec / 2021-Ongoing

📍 Santa Monica, CA

1. Conducted comprehensive electrical tests on shipboard systems, ensuring compliance with military standards.
2. Collaborated with the US Navy to troubleshoot and resolve complex electrical issues, enhancing system reliability.
3. Earned multiple certifications through rigorous on-the-job training, demonstrating commitment to professional development.
4. Adapted testing procedures to various production environments, ensuring flexibility and efficiency.
5. Performed simultaneous electrical, temperature, humidity, and vibration testing to validate system performance.
6. Executed tests in accordance with military, European, and commercial standards, ensuring high-quality results.
7. Developed and maintained Rotor Balancing Plans and Procedures to optimize testing processes.

Electrical Test Engineer

Silver Lake Enterprises

📅 Dec / 2019-Dec / 2021

📍 Seattle, WA

1. Subjected electrical components to mechanical, thermal, and corrosion tests to assess durability.
2. Conducted testing of electrical equipment to IEEE, ANSI, and NRC standards for the nuclear sector.
3. Developed detailed test plans, designed test setups, and supervised testing operations.
4. Researched and selected equipment for testing projects, ensuring optimal performance.
5. Performed data acquisition for upper-stage rocket engines under simulated space conditions.

EDUCATION

Bachelor of Science in Electrical Engineering

University of Texas

📅 Dec / 2017-Dec / 2019

📍 Toronto, ON

Focused on electrical systems design, testing methodologies, and circuit analysis.
