ACHIEVEMENTS

★ Reduced patient wait times by 30% through efficient triage and prioritization.

★ Achieved a 95% patient satisfaction score in post-discharge surveys.

PROFESSIONAL SUMMARY

Compassionate and skilled Emergency Department Registered Nurse with 5 years of experience in high-volume emergency settings. Expertise in triaging patients, performing emergency procedures, and coordinating care with healthcare teams. Known for exceptional critical thinking and problem-solving abilities, leading to timely interventions and improved patient outcomes. Actively involved in quality improvement initiatives that have streamlined processes and enhanced patient safety measures within the department.

WORK EXPERIENCE

Asst. Emergency Department Registered Nurse

📅 Dec / 2020 - Ongoing
📍 Chicago, IL

Blue Sky Innovations

1. Conducted thorough assessments of patients presenting with acute conditions, documenting medical histories, vital signs, and current medications in EPIC.
2. Administered IV, IM, subcutaneous, and oral medications, ensuring adherence to safety protocols and best practices.
3. Performed critical interventions such as IV insertions, blood draws, and urinary catheterizations to support patient care.
4. Provided comprehensive discharge instructions, including medication management, wound care, and lifestyle modifications to enhance recovery.
5. Collaborated with interdisciplinary teams to develop and implement patient-centered care plans, ensuring compliance with EMTALA guidelines.
6. Maintained strict adherence to HIPAA regulations and hospital policies to protect patient confidentiality and safety.
7. Conducted thorough assessments and prioritized care for patients presenting with diverse medical emergencies, ensuring timely interventions and reducing average wait times by 25%.

Emergency Department Registered Nurse

📅 Dec / 2019 - Dec / 2020
📍 Denver, CO

Summit Peak Industries

1. Assisted in triaging patients based on severity of conditions, ensuring timely and appropriate care delivery.
2. Monitored and documented patient progress, responding promptly to changes in condition and escalating care as needed.
3. Educated patients and families on treatment plans, medications, and follow-up care to promote understanding and compliance.
4. Engaged in quality improvement initiatives, contributing to enhanced patient outcomes and departmental efficiency.
5. Supported emergency response efforts during critical incidents, demonstrating strong leadership and teamwork skills.
