PROFESSIONAL SUMMARY

Proficient Emergency Department Registered Nurse with 5 years of experience in delivering comprehensive care to patients in emergency situations. Skilled in rapid assessment, emergency interventions, and patient stabilization. Known for building strong rapport with patients and families, ensuring they feel supported during critical times. Actively participated in departmental committees focused on improving patient care protocols, resulting in enhanced operational efficiency and patient safety.

WORK EXPERIENCE

Lead Emergency Department Registered Nurse Dec / 2018-Ongoing
Pineapple Enterprises Santa Monica, CA

- Deliver comprehensive patient care through the nursing process, including assessment, diagnosis, planning, implementation, and evaluation in a high-pressure emergency department setting.
- Direct and coordinate nursing care based on established clinical practices, ensuring adherence to protocols and standards.
- Collaborate with multidisciplinary teams to optimize patient outcomes, documenting diagnoses and progress accurately in electronic medical records.
- Utilize knowledge of patient demographics and cultural diversity to provide tailored care and support.
- Engage in performance improvement initiatives that enhance the quality of nursing care and patient safety.
- Administer lifesaving interventions, including CPR, ACLS, and PALS, in critical situations.
- Educate patients and families on health management and post-discharge care, fostering a supportive environment.

Emergency Department Registered Nurse Dec / 2014-Dec / 2018
Lakeside Apparel Co Chicago, IL

- Collaborate with physicians and emergency staff to assess, plan, and implement effective treatment strategies for patients in crisis.
- Monitor patient conditions, identifying critical issues and implementing timely interventions to ensure safety and well-being.
- Document patient care accurately in electronic systems, maintaining high standards of readability and compliance.
- Administer medications and perform physical treatments as per physician orders, ensuring adherence to safety protocols.
- Provide compassionate support to patients and families, addressing concerns and ensuring comfort during emergency situations.

EDUCATION

Bachelor of Science in Nursing Dec / 2011-Dec / 2014
University of California, Los Angeles Phoenix, AZ

Completed a comprehensive nursing program with a focus on emergency and critical care nursing.
