🌟 ACHIEVEMENTS

🌟 Developed and implemented a school-wide recycling initiative that increased participation by 40%.

🌟 Conducted over 50 workshops on environmental awareness, reaching more than 1,000 students and community members.

👤 PROFESSIONAL SUMMARY

Dedicated Environmental Educator with over 7 years of experience in designing and executing educational programs that engage diverse audiences in environmental stewardship. I have a proven track record of curriculum development, hands-on learning experiences, and fostering partnerships to promote sustainability. My goal is to cultivate a deep appreciation for the environment in learners, empowering them to become proactive advocates for our planet.

💼 WORK EXPERIENCE

Environmental Educator

Quantum Solutions LLC

📅 Jan / 2020-Ongoing

📍 Phoenix, AZ

1. Delivered interactive science lessons to 3rd-6th graders, enhancing engagement through hands-on activities.
2. Collaborated with educators to design and implement innovative environmental curricula that align with state standards.
3. Facilitated training seminars for students and teachers on sustainable practices and environmental issues.
4. Successfully wrote and secured a \$5,000 grant from USAID to fund environmental projects.
5. Compiled and analyzed data for project evaluations to inform future programming and community needs.
6. Managed facility maintenance to ensure a safe and engaging learning environment.
7. Led community outreach initiatives that increased awareness of local environmental challenges and solutions.

Environmental Educator

Summit Peak Industries

📅 Jan / 2018-Jan / 2020

📍 Denver, CO

1. Coordinated logistics for youth outdoor education experiences, ensuring smooth operations for participants.
2. Created lesson plans for immersive environmental education during a 20-day backpacking expedition.
3. Facilitated discussions on environmental topics, enhancing participants' understanding of sustainability practices.
4. Designed an environmental education program tailored for high school students, increasing engagement in local conservation efforts.
5. Organized project schedules and ensured timely completion of program goals.

🎓 EDUCATION

Bachelor of Science in Environmental Education

University of Florida

📅 Jan / 2016 Jan / 2018

📍 Santa Monica, CA

Focused on developing educational programs that promote environmental awareness and sustainability.
