Objective

ER Physician is responsible for verifying and updating patient demographics and obtaining the correct insurance information for all patients in the ED and correctly admitting them to the floor as needed.

Skills

Great attention to detail with excellent analytical skills.

Work Experience

ER Physician

ABC Corporation - 1995 – 2000

- Assessed patients that enter the emergency room immediately and oversee emergency patient’s recovery.
- Conducted follow-up visits to monitor the patient’s condition.
- Requested the appropriate medical tests and based on them, follow a treatment plan.
- Developed effective patient care plans.
- Referred patients to the appropriate specialists.
- Ensured that patients are stable before transferring them to the proper department for further evaluation.
- Provided instructions for discharge and any relevant paperwork.

ER Physician

Delta Corporation - 2005 – 2008

- Provides direct patient care as needed. Lifts patients onto and from bed, and transports patients to other areas such as assigned patient room and x-ray rooms.
- Stocks rooms with supplies and clean linen. Collects soiled linen.
- Performs port-mortem care, accompanies body to morgue and takes morgue record to Security.
- Assists families with getting patients out of car and or into car upon discharge from ED.
- Fits patients for crutches and demonstrates appropriate crutch walking to patient and or family.
- Other duties as assigned by RN or physician.
- Demonstrates a commitment to continuous lifelong learning for self and others.

Education

Bachelor’s Degree in Medicine
