## 🌟 ACHIEVEMENTS

🌟 Reduced project downtime by 15% through effective equipment operation and maintenance.

🌟 Consistently completed excavation projects ahead of schedule, enhancing overall project timelines.

## 👤 PROFESSIONAL SUMMARY

Accomplished Excavator Operator with 7 years of extensive experience in the excavation and construction industry. Skilled in operating various heavy machinery, maintaining safety protocols, and executing complex projects with precision. Driven to enhance productivity and safety on-site, ensuring successful project completion and team collaboration.

## 🏢 WORK EXPERIENCE

### Excavator Operator

📅 Jan / 2020-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Collaborated with project managers and subcontractors to ensure timely delivery of excavation services.
2. Established and maintained effective communication with third-party companies to prevent project delays.
3. Operated advanced excavation machinery, including tilt buckets and hydraulic hammers, with a focus on precision and safety.
4. Coordinated logistics for railroad gondolas, ensuring proper arrangement and timely delivery.
5. Utilized bobcat skid steer for various tasks, enhancing site efficiency.
6. Executed loading operations using an articulating loader, maintaining high productivity.
7. Monitored site safety by regularly checking radiation levels with radiation meters.

### Excavator Operator

📅 Jan / 2018-Jan / 2020

Silver Lake Enterprises

📍 Seattle, WA

1. Managed tree clearing and burning operations while safely operating bulldozers for slope construction.
2. Performed road repairs by excavating and replacing unsuitable soil with large rocks to enhance slope stability.
3. Operated various heavy equipment, including dozers, excavators, and motor graders, for diverse construction tasks.
4. Executed earthmoving operations for road construction and utility installations, including water and sewer lines.
5. Led demolition projects, reset foundations, and installed plumbing and drainage systems effectively.

## 🎓 EDUCATION

### Diploma in Heavy Equipment Operation

📅 Jan / 2016-Jan / 2018

National Heavy Equipment College

📍 Chicago, IL

Comprehensive training on operating various heavy machinery, focusing on safety and efficiency.
