PROFESSIONAL SUMMARY

Accomplished Excavator Operator with a decade of expertise in operating heavy machinery for diverse construction projects. Proven ability to execute complex excavation tasks while adhering to stringent safety protocols and optimizing operational efficiency. Committed to enhancing productivity and ensuring a safe work environment, I consistently deliver exceptional results on every project.

WORK EXPERIENCE

Excavator Operator Jan / 2019–Ongoing
Pineapple Enterprises Santa Monica, CA

- Operated various heavy machinery, including excavators and bulldozers, to execute excavation projects with precision.
- Maintained equipment by performing regular inspections, servicing, and repairs, ensuring optimal performance.
- Implemented safety measures and protocols to create a secure work environment for all site personnel.
- Collaborated with project managers and team members to coordinate excavation tasks and meet project deadlines.
- Executed trenching and grading operations for utility installation and land development.
- Monitored site conditions and adjusted operations to maintain safety and efficiency.
- Trained new operators on equipment usage and safety procedures, fostering a culture of safety on-site.

Excavator Operator Jan / 2015–Jan / 2019
Crescent Moon Design Portland, OR

- Operated a Caterpillar 320 CL excavator for various construction and excavation projects, ensuring adherence to safety standards.
- Cleared land for site preparation, including removal of vegetation and debris.
- Assisted in sewer and water main installations by providing excavation support.
- Worked closely with other trades to ensure seamless project execution and communication.
- Utilized vac trucks for effective removal of soil and debris from excavation sites.

EDUCATION

Diploma in Heavy Equipment Operation Jan / 2012–Jan / 2015
National Heavy Equipment College Denver, CO

Comprehensive training in operating heavy machinery, focusing on safety protocols and operational efficiency.
