

# Robert Smith

## Exploration Geologist

### PERSONAL STATEMENT

Exploration Geologist with 10 years of experience in international & domestic exploration and production. Interpretation and geological modeling. Instrumental in the discovery of 5 billion barrels of oil and 2 TCF gas.

### WORK EXPERIENCE

#### **Exploration Geologist**

**ABC Corporation - 2000 - 2004**

##### *Responsibilities:*

- Integrated magnetic, gravity, paleo geothermal, seismic, well, and surface data.
- Deduced where target turbidite systems would be most sand prone.
- Recommended wells resulting in 800 M BOIP find in deepwater block 26-28.
- Generated computer competitor database and cross-sections.
- Prepared geologic models for use by mining, engineering, and management personnel.
- Provided technical expertise in formulating surface protection stipulations, standards, and mitigating measures to reduce the adverse impacts of surface-disturbing activities.
- Mapped surface geology and sampled outcrops in order to evaluate a property for future economic potential.

#### **Exploration Geologist**

**Delta Corporation - 2009 - 2010**

##### *Responsibilities:*

- Worked on district reconnaissance, submittal evaluations, and projects.
- Evaluated deposits in epithermal, volcanic, Carlin, detachment, and Precambrian settings Conducted grassroots exploration, district-wide mapping .
- Prospector and regional exploration geologist.
- Explored for open pit gold deposits in epithermal, hot spring, Carlin and volcanic-hosted environments Involved with early stages of Bullfrog (1 M oz).
- Supervised two geology interns and four soil samplers.
- Wrote weekly progress reports to the supervisor.
- Assisted the public with questions concerning laws, regulations, and policy, and establishes and maintains cooperative relationships with other BLM offices, user groups, and State and Federal agencies concerning the BLMs mineral management program.

### Education

B.Sc. in Geology - (University of Newcastle Upon Tyne)

### **CONTACT DETAILS**

1737 Marshville Road,  
Alabama  
(123)-456-7899
