Work Experience

Fabrication Foreman

ABC Corporation - 2005 - October 2007

- Contracted company that fabricated and built the MRAP vehicle for Soldiers in Iraq.
- In charge of a sixteen man crew, while continuing to fulfill regular responsibility of fabricating.
- Kept materials in shop via bridge crane and lull lift, keep time log for payroll, and maintain a safe work environment for fellow workers.
- Assembled the trucks from the ground up.
- Consisted of mig and stick welding, equipment inspection and material handling.
- Performed many different services at LaFarge, Giant, and Holcum cement plants in Holy Hill, SC; services such as conveyor repairs, miscellaneous fabrication, and several other maintenance tasks.
- Kept a safe and productive environment was not always the easiest task, but as a team we made both safety and production top of all tasks and were successful.

Fabrication Foreman

Delta Corporation - -

- Prepare BOM and list of raw material required as per the fabrication drawings
