Committed to delivering precise evaluations and fostering strong client relationships, ensuring compliance and risk mitigation.

WORK EXPERIENCE

Field Examiner

Blue Sky Innovations

📅 Apr / 2024-Ongoing
📍 Chicago, IL

- 1. Administered comprehensive field examinations, focusing on financial analysis of receivables and inventory collateral for loans up to \$50 million.
- 2. Compiled detailed examination reports with technical writing tailored to client specifications.
- 3. Converted complex business operations into quantifiable data to assist clients in managing financial risk.
- 4. Served as a liaison, translating intricate business models into clear, actionable structures.
- 5. Maintained professionalism and objectivity in all interactions with asset borrowers during audits.
- 6. Evaluated current assets and liabilities to confirm collateral sufficiency for new or existing asset-based loans.
- 7. Provided written and verbal recommendations to lenders regarding credit structures and loan monitoring processes.

Field Examiner

Silver Lake Enterprises

📅 Apr / 2023-Apr / 2024
📍 Seattle, WA

- 1. Performed over 300 field examinations and audits within nine months, ensuring accurate loan disbursements exceeding \$1.6 million.
- 2. Conducted 30+ financial investigations, auditing financial instruments to safeguard veteran assets.
- 3. Gathered information through observation, record analysis, and interviews with various stakeholders.
- 4. Executed onsite interviews and reviews of VA fiduciaries to ensure compliance with regulations.
- 5. Audited governmental agencies for state and federal compliance, ensuring adherence to regulations.
- 6. Participated in election recount processes, verifying accuracy and integrity of results.

EDUCATION

Bachelor of Science in Accounting

University of Washington

📅 Apr / 2022-Apr / 2023
📍 Santa Monica, CA

Studied financial accounting, auditing, and risk assessment methodologies.
