## WORK EXPERIENCE

### Global Finance Project Manager

📅 May / 2018-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Collaborated with senior leadership to develop and implement annual budgets for global finance projects, ensuring alignment with strategic objectives.
2. Conducted comprehensive month-end closing processes and variance analyses to inform executive decision-making.
3. Presented financial results and insights to stakeholders, fostering transparency and accountability across departments.
4. Provided strategic support for mergers and acquisitions, successfully integrating financial operations and ensuring compliance.
5. Led budgeting and forecasting efforts for complex, high-impact projects, optimizing resource allocation throughout the project lifecycle.
6. Reviewed and analyzed monthly financial results, delivering actionable insights for departmental budget adjustments.
7. Participated in cross-functional teams to enhance financial service delivery and improve employee satisfaction metrics.

### Finance Project Manager

📅 May / 2015-May / 2018

Silver Lake Enterprises

📍 Seattle, WA

1. Oversaw budgets and financial analysis for a \$150MM project portfolio, ensuring rigorous financial controls and compliance.
2. Developed and documented cost standards, optimizing production processes and improving financial accuracy.
3. Coordinated inter-company accounting activities for international projects, ensuring alignment with global financial policies.
4. Managed a team responsible for financial application requirements and supported SAP product configuration initiatives.
5. Directed project accounting functions, achieving a streamlined audit process and timely financial reporting.
6. Led multiple global joint venture projects, enhancing profitability through effective financial management and risk assessment.

## EDUCATION

### Master of Business Administration

📅 May / 2012-May / 2015

Harvard University

📍 Phoenix, AZ

Concentration in Finance and Project Management.
