👤 PROFESSIONAL SUMMARY

Enthusiastic Financial Analyst Intern with two years of practical experience in financial data analysis and reporting. Skilled in constructing financial models and conducting performance evaluations to inform strategic initiatives. Looking to apply my analytical abilities and collaborative mindset to enhance financial decision-making within a forward-thinking organization.

💻 WORK EXPERIENCE

Financial Analyst Intern
Maple Leaf Consulting
📅 Mar / 2024-Ongoing 📍 Toronto, ON

1. Assisted in financial modeling and forecasting to support strategic decision-making.
2. Conducted variance analysis to identify discrepancies between budgeted and actual performance.
3. Prepared detailed financial reports for management review and decision-making.
4. Analyzed market trends and economic data to inform investment strategies.
5. Collaborated with cross-functional teams to gather financial data and insights.
6. Supported the preparation of monthly and quarterly financial statements.
7. Utilized pivot tables to present findings to the Chief Accounting Officer and VP of Financial Planning & Analysis.

Financial Analyst Intern
Silver Lake Enterprises
📅 Mar / 2023-Mar / 2024 📍 Seattle, WA

1. Completed three main summer assignments: Wage Rate & Productivity report, Warehouse mix/rate for sales per case, and led a teaching presentation for Supervalu members on grocery topic "Variation".
2. Developed strong analytical skills through the creation of comprehensive reports.
3. Automated financial reports in Excel using advanced VBA coding techniques.
4. Accessed and evaluated crucial financial data across multiple fiscal periods.
5. Operated Oracle systems to convert raw data into meaningful financial reports.
6. Participated in weekly strategy meetings with managers and mentors to enhance project outcomes.

🎓 EDUCATION

Bachelor of Science in Finance
University of Chicago
📅 Mar / 2022-Mar / 2023 📍 Seattle, WA

Studied financial analysis, investment strategies, and market research methodologies.
