ACHIEVEMENTS

- 🌟 Improved production efficiency by 15% through optimized press operations.
- 🌟 Achieved a 99% print quality satisfaction rate from clients.

PROFESSIONAL SUMMARY

Accomplished Flexographic Press Operator with over 5 years of experience in high-speed printing environments. Proficient in setting up, operating, and troubleshooting advanced flexographic presses to achieve quality and efficiency. Committed to upholding safety standards while delivering exceptional print results, aiming to drive productivity and quality in a collaborative team.

WORK EXPERIENCE

Flexographic Press Operator 📅 Mar / 2022-Ongoing
Blue Sky Innovations 📍 Chicago, IL

1. Operated various flexographic presses, conducting precise setups according to production specifications.
2. Ensured print quality by performing color matching and adjustments to meet client proofs.
3. Monitored production processes and addressed any issues to prevent defects in printed materials.
4. Followed strict safety protocols while maintaining high-quality standards throughout operations.
5. Collaborated with the quality assurance team to ensure compliance with customer specifications.
6. Executed efficient roll conversions by applying laminates and slitting rolls into labels.
7. Documented production data and maintained accurate records for quality control purposes.

Flexo Press Operator 📅 Mar / 2020-Mar / 2022
Summit Peak Industries 📍 Denver, CO

1. Operated MPS EXL-500 flexographic press, achieving consistent production of high-quality prints.
2. Awarded a Silver Award from FTA for excellence in flexographic printing in April 2013.
3. Initiated new processes for improved workflow, including developing SOPs and reducing changeover times.
4. Completed training in flexo press operations at Isothermal Community College, enhancing technical skills.
5. Managed UV and water-based ink applications on Aqua flex presses, ensuring optimal color and quality.
6. Oversaw production on Mark Andy and Nilpeter presses, focusing on commercial labels for diverse clients.

EDUCATION

Associate of Applied Science in Printing Technology 📅 Mar / 2018 - Mar / 2020
Isothermal Community College 📍 Denver, CO

Studied advanced printing techniques, flexographic press operations, and quality control.
