### SKILLS

Formulation Techniques

Material Characterization

Product Formulation

Research Methodologies

Technical Writing

Presentation Skills

### INTERESTS

📖 Birdwatching 🧳 Traveling

🏆 Sports Coaching 🧶 Knitting

### STRENGTHS

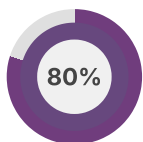

🔧 Pragmatism

🍃 Sensitivity

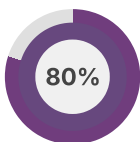

💖 Sincerity

⚓ Stability

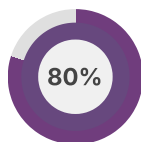

### LANGUAGES

English

Swahili

French

### ACHIEVEMENTS

🌟 Formulated a new line of hair serums that increased sales by 30% within six months.

🌟 Conducted stability studies leading to a 25% improvement in product shelf life.

### PROFESSIONAL SUMMARY

Creative Haircare Formulation Chemist with 5 years of experience in designing and optimizing formulations for superior hair products. Expertise in ingredient selection, stability testing, and regulatory compliance, driving innovative solutions that meet consumer demands. Passionate about translating scientific research into effective haircare products that enhance performance and user satisfaction.

### WORK EXPERIENCE

#### Haircare Formulation Chemist

📅 Feb / 2022-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Developed and optimized haircare formulations focusing on performance and consumer preferences.
2. Conducted stability and compatibility testing to ensure product integrity and efficacy.
3. Collaborated with cross-functional teams to align product development with market trends and consumer insights.
4. Documented formulation processes and maintained compliance with industry regulations and safety standards.
5. Trained junior chemists on formulation techniques and best practices in product development.
6. Evaluated ingredient performance and sourced innovative materials to enhance product quality.
7. Assisted in the preparation of technical documentation for product registration and marketing.

#### Formulation Chemist

📅 Feb / 2020-Feb / 2022

Cactus Creek Solutions

📍 Phoenix, AZ

1. Led the formulation development of new product lines tailored to specific hair types and needs.
2. Conducted comprehensive testing on various formulation prototypes to assess performance and stability.
3. Engaged with suppliers to identify high-quality raw materials and new technologies.
4. Utilized consumer feedback to refine existing formulations and develop new solutions.
5. Participated in brainstorming sessions to generate innovative product ideas and concepts.
6. Maintained accurate records of all formulation experiments and results for future reference.

### EDUCATION

#### Bachelor of Science in Chemistry

📅 Feb / 2018-Feb / 2020

University of California, Berkeley

📍 Portland, OR

Focused on organic chemistry and materials science, with projects on polymer formulations.
