

Robert Smith

Freelance Animator

PERSONAL STATEMENT

Looking for a Freelance Animator to process and enhance video assets based on standard procedures. This is a hands-on position that includes editing video, color correction, motion graphics, controlling the end-to-end process.

WORK EXPERIENCE

Freelance Animator

HolyFire Games, Elwood LLC, BYU Animation - 2012 - 2022

Responsibilities:

- Able to edit / create video to a very high standard in order to produce videos for different products.
- Gathered data, images related to topic and responsible for making videos.
- Demonstrated video editing ability with a strong portfolio.
- Consulted with stakeholders from production to post-production process.
- Comforted working on multiple projects while adhering to deadlines.
- Collaborated with partners, to prepare various creative deliverables to ensure compliance to all objectives.
- Developed UI visuals (mockups) and screen-flows showcasing end user interaction with products and processes.

Freelance Animator

Delta Corporation - 2011 - 2013

Responsibilities:

- Work directly with the Senior Animators and Designers to identify and execute on the animation needs of the game. Plan, animate, implement, and support that data throughout production.
- Build scenes of varying moods and sizes. From two character conversations to team wide celebrations. Use animation like a puzzle piece to find the perfect fit for a scene.
- Create dynamic camera moves and compositions to show off your scenes.
- Coordinate with external and in house teams to create excellent animation from body and facial performance capture data. Deliver content that meets technical requirements.
- Work in the game engine. Adding new and maintaining older data, creating or editing state machines, adjusting transition blends, and providing support for existing systems.
- Follow best practices, take direction, and quickly learn new skills, processes and pipelines. Collaborate effectively with other disciplines, including production, design, and engineering.
- Updates job knowledge by participating in educational opportunities; reading professional publications.
