PROFESSIONAL SUMMARY

Creative Freelance Front End Web Developer with 10 years of experience in delivering high-quality, responsive web applications. Expert in HTML5, CSS3, JavaScript, and frameworks like React and Angular. Proven track record of translating complex designs into engaging user interfaces while optimizing for performance and accessibility. Passionate about driving innovative solutions and enhancing user satisfaction.

WORK EXPERIENCE

Freelance Front End Web Developer

📅 Feb / 2019-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Provided expert feedback on UI/UX designs, enhancing user satisfaction during design discussions.
2. Transitioned legacy JSP-based UI to modern Angular applications, improving performance and maintainability.
3. Developed intuitive web pages utilizing AngularJS, jQuery, HTML5, CSS3, and RESTful APIs.
4. Utilized AJAX and JSON for seamless server communication, optimizing website functionality.
5. Created fully functional HTML and CSS pages from mockups, ensuring alignment with design specifications.
6. Conducted comprehensive cross-browser testing, ensuring compatibility across all major platforms.
7. Participated in all phases of the SDLC, from analysis and design to deployment and support.

Front End Web Developer

📅 Feb / 2015-Feb / 2019

Cactus Creek Solutions

📍 Phoenix, AZ

1. Designed and developed the front end for <https://freechristianpublishing.com> using HTML/CSS, jQuery, and Bootstrap.
2. Enabled users to upload and publish books for free, enhancing community engagement.
3. Constructed the internal layout for the Einstein2 system, streamlining editorial processes.
4. Utilized HTML/CSS, jQuery, and local storage for effective data handling in applications.
5. Delivered a local demo of the project, showcasing capabilities to stakeholders.
6. Revamped the Author Center, allowing authors to manage their profiles and royalties effectively.

EDUCATION

Bachelor of Science in Computer Science

📅 Feb / 2012-Feb / 2015

University of Technology

📍 Portland, OR

Focused on web development and software engineering principles.
