Work Experience

Furniture Assembler

ABC Corporation - November 2015 - March 2016

- Learned to install hinges, latches, and trim on various types of doors such as closet door, electrical access doors, and compartment doors.
- Brackets, nuts, and clamps were also amongst the installations that held specific add-ons to the monument.
- Worked in tight spaces and hard to reach places using small tools.
- Worked at this location happened just before began the second monument.
- Assisted with this project then came to me for further instructions, questions, or to review their work so far.
- Received, and unloaded incoming products while verifying the accuracy of shipment.
- Documented actions by completing production and quality forms.

Furniture Assembler

ABC Corporation - 2013 - 2015

- I would take a blue print or drawing of a piece of furniture and would take all the measurements and cut each piece by using both hand and power tools also machines, I would take all the parts back to my work bench and assemble the furniture piece.
- In the time i was there i believe i assemble all types of furniture,cabinets and store fixtures/displays.
- I was a responsible person, who got along with others and very dependable person, I learned to work well with others.
- Was a person who also wanted to learn new things and one that is not afraid to work.
- Was a good listener who has a keen eye for detail.
- Skills Used I used math, writing, verbal, and mechanical skills.
- The skills of a person who listens well and that can follow directions.

Education

Pastoral Ministries - (Northwest Unversity)
