PROFESSIONAL SUMMARY

Proficient General Machinist with 5 years of extensive experience in CNC and manual machining. Skilled in setting up, operating, and troubleshooting various machine tools while adhering to strict quality standards. Experienced in interpreting technical drawings and optimizing machining processes for enhanced efficiency. Eager to leverage expertise in a collaborative manufacturing environment.

WORK EXPERIENCE

General Machinist Apr / 2021-Ongoing
Pineapple Enterprises Santa Monica, CA

- 1. Operated CNC lathes, mills, and grinders to produce precision components.
- 2. Set up and calibrated machines for various machining operations.
- 3. Interpreted blueprints and CAD drawings to ensure adherence to specifications.
- 4. Conducted quality inspections using precision measuring tools.
- 5. Collaborated with engineering teams to optimize manufacturing processes.
- 6. Maintained equipment and performed routine preventative maintenance.
- 7. Trained junior machinists in best practices and safety protocols.

General Machinist Apr / 2020-Apr / 2021
Silver Lake Enterprises Seattle, WA

- 1. Operated drill presses and tapping machines for precision part manufacturing.
- 2. Executed setup and operation of CNC machines for prototype production.
- 3. Managed material inventory and ordered supplies as needed.
- 4. Performed manual machining operations, including turning and threading.
- 5. Ensured compliance with safety regulations and maintained a clean work environment.

EDUCATION

Associate of Applied Science in Machine Tool Technology Apr / 2019 - Apr / 2020
City Technical College Phoenix, AZ

Completed coursework in machining principles, CNC programming, and blueprint reading.
