PROFESSIONAL SUMMARY

Dedicated Graduate Clinician with 5 years of specialized experience in assessing and treating speech and language disorders across diverse populations. Expertise in implementing evidence-based interventions and fostering collaborative relationships with interdisciplinary teams. Committed to enhancing patient outcomes through innovative strategies and continuous professional development.

WORK EXPERIENCE

Graduate Clinician

Jun / 2021-Ongoing

Seaside Innovations

Santa Monica, CA

1. Supervised an integrated preschool setting, overseeing therapy sessions and educational activities.
2. Assessed and treated preschool and school-aged children with a range of speech and language disorders.
3. Conduct comprehensive assessments to evaluate client needs and develop treatment plans.
4. Delivered individualized and group therapy sessions through both pull-out and inclusion models.
5. Collaborated with educators and support staff to enhance therapeutic strategies and student learning.
6. Maintained comprehensive documentation, including data collection, progress notes, and evaluation reports.
7. Provide individual and group therapy sessions to support client mental health.

Graduate Clinician

Jun / 2020-Jun / 2021

Silver Lake Enterprises

Seattle, WA

1. Communicated assessment results and tailored recommendations to teachers and families effectively.
2. Designed and implemented treatment strategies for adults with TBI, aphasia, apraxia, and cognitive impairments at Milisen Speech-Language & Hearing Clinic.
3. Facilitated an Aphasia Support Group, promoting the use of multi-modal communication strategies.
4. Conducted videostroboscopic evaluations and analyzed speech and voice characteristics using advanced technology.
5. Evaluated clients for cognitive-linguistic impairments and provided actionable recommendations for nursing home staff.
6. Prepared detailed diagnostic outlines, executed diagnostic procedures, and analyzed data for adult clients.
