Groundman I

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles  
🌐 www.qwikresume.com

## PROFESSIONAL SUMMARY

Resourceful Groundman with 7 years of extensive experience in the installation, maintenance, and repair of overhead and underground utility systems. Adept at operating heavy machinery and ensuring compliance with safety protocols. Proven ability to work effectively in diverse weather conditions and collaborate with teams to achieve operational efficiency. Eager to apply my skills to enhance utility services and support organizational objectives.

## WORK EXPERIENCE

### Groundman I

Quantum Solutions LLC

📅 Jun / 2021-Ongoing  
📍 Phoenix, AZ

1. Collaborated with teams to install, maintain, and operate overhead and underground utility systems.
2. Assisted in gaining poles, assembling crossarms, and splicing cables, ensuring operational integrity.
3. Operated trucks and power equipment for line construction, enhancing project efficiency.
4. Executed manual labor tasks as directed, contributing to overall crew productivity.
5. Delivered exceptional service to internal and external customers, fostering positive relationships.
6. Demonstrated decision-making skills, achieving timely results and promoting team cohesion.
7. Followed safety protocols and work practices to mitigate risks and ensure crew safety.

### Groundman

Summit Peak Industries

📅 Jun / 2018-Jun / 2021  
📍 Denver, CO

1. Prepared trucks and equipment for daily operations, ensuring readiness for tasks.
2. Supported Linemen by performing ground work efficiently, facilitating task completion.
3. Spotted drivers and operators in areas with limited visibility to enhance safety.
4. Promoted a safe work environment in compliance with OSHA standards.
5. Maintained clean job sites, properly disposing of materials to uphold safety and environmental standards.

## EDUCATION

### Associate of Applied Science in Electrical Technology

Tech Valley Community College

📅 Jun / 2015-Jun / 2018  
📍 Chicago, IL

Focused on electrical systems and safety protocols relevant to utility services.

## SKILLS
