### PROFESSIONAL SUMMARY

Seeking a Habilitation Specialist position to utilize existing educational and work experience within the fields of Security, Office or Healthcare.

### WORK EXPERIENCE

#### Sr. Habilitation Specialist

📅 Nov / 2018-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Provided comprehensive case management services to individuals with ICFIDD, focusing on psycho-social and functional skills development.
2. Monitored and evaluated community living, home living, and vocational training programs to ensure client progress.
3. Conducted thorough habilitation assessments to identify client needs and develop tailored support plans.
4. Safeguard client confidentiality and maintain accurate records in compliance with regulations.
5. Responsible for facilitating consent processes for medical orders and medication changes, ensuring client understanding and agreement.
6. Prepared detailed documentation including progress notes, data collection, and individual program plans to track client development.
7. Designed and implemented training goals for home and community living, revising plans as necessary to meet client objectives.

#### Habilitation Specialist

📅 Nov / 2014-Nov / 2018

Crescent Moon Design

📍 Portland, OR

1. Provide personal care and support for disabled children, ensuring their safety and well-being.
2. Develop and execute recreational activities tailored for adults with severe developmental disabilities, enhancing their engagement and social skills.
3. Train and supervise individuals with autism and developmental disabilities in habilitation and occupational skills, fostering independence.
4. Deliver on-the-job training and support, shadowing clients to reinforce learning and skill acquisition.
5. Collaborate with local businesses to create job opportunities for clients, promoting community integration and employment.
