## ACHIEVEMENTS

🌟 Increased production efficiency by 25% through streamlined assembly processes.

🌟 Implemented a safety training program that reduced workplace accidents by 40%.

## PROFESSIONAL SUMMARY

With 7 years of comprehensive experience in managing hanger operations, I specialize in optimizing assembly processes and ensuring stringent safety compliance. My leadership fosters teamwork and drives productivity, resulting in consistently high-quality outcomes. I am dedicated to enhancing operational efficiency and supporting team success in dynamic manufacturing environments.

## WORK EXPERIENCE

### Hanger Supervisor

📅 May / 2021-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Managed daily operations, ensuring adherence to safety and quality standards in assembly processes.
2. Trained and supervised team members on best practices in component installation and assembly.
3. Monitored workflow and implemented process improvements to enhance efficiency.
4. Documented maintenance procedures and updates in the system.
5. Collaborated with cross-functional teams to address production challenges and optimize resource allocation.
6. Maintained accurate records of production metrics and safety incidents for reporting and analysis.
7. Facilitated communication between departments to ensure timely project completion and client satisfaction.

### Hanger

📅 May / 2018-May / 2021

Crescent Moon Design

📍 Portland, OR

1. Oversaw the hanging of parts on the production line, ensuring quality checks for rust and preparation for powder coating.
2. Operated forklifts to transport materials to the hang area, demonstrating versatility in various departments.
3. Promoted from packing to hanging role due to exceptional performance and reliability.
4. Trained in forklift operation, enhancing operational capabilities across the facility.
5. Applied attention to detail to maintain quality during the assembly process.
6. Collaborated with team members to improve hanging techniques, increasing overall productivity.

## EDUCATION

### Associate of Applied Science in Industrial Technology

📅 May / 2015 May / 2018

Tech Institute of Technology

📍 Denver, CO

Focused on industrial processes and safety management.
