## PROFESSIONAL SUMMARY

With a decade of hands-on experience as a Helicopter Crew Chief, I specialize in aircraft maintenance, safety compliance, and team leadership. My extensive background in managing complex aviation systems ensures mission readiness and operational efficiency. I am eager to utilize my technical expertise and leadership skills to drive success in a high-performing aviation environment.

## WORK EXPERIENCE

### Helicopter Crew Chief

📅 Jun / 2019-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Performed comprehensive maintenance on Bell OH-58D helicopters, adhering to technical manuals and safety standards.
2. Conducted daily inspections to ensure aircraft integrity and pilot safety.
3. Managed aircraft maintenance support equipment and hydraulic systems, ensuring optimal performance.
4. Oversaw licensing processes for aircraft maintenance personnel, ensuring compliance with regulations.
5. Selected for three deployments as Maintenance Operations Coordinator, demonstrating leadership and reliability.
6. Served over 500 days in austere environments, contributing to mission success.
7. Trained and mentored junior crew members, enhancing team capabilities and performance.

### Helicopter Crew Chief

📅 Jun / 2015-Jun / 2019

Silver Lake Enterprises

📍 Seattle, WA

1. Veteran of Operation Iraqi Freedom, ensuring six Bell OH-58(D) helicopters were mission-ready through effective maintenance.
2. Managed training for over 100 crew chiefs and mechanics, promoting safety and operational efficiency.
3. Conducted thorough inspections and repairs on maintenance support equipment and hydraulic systems.
4. Led the licensing process for maintenance personnel, ensuring adherence to safety standards.
5. Served as the Flying Crew Chief on a test flight helicopter, enhancing operational capabilities.

## EDUCATION

### Associate of Applied Science in Aviation Maintenance

📅 Jun / 2012-Jun / 2015

Community College of the Air Force

📍 Denver, CO

Focused on aircraft systems, safety protocols, and maintenance practices.
