PROFESSIONAL SUMMARY

Enthusiastic Herdsman with two years of hands-on experience in livestock management and animal care. Skilled in feeding, milking, and breeding, I excel at maintaining herd health and ensuring optimal farm operations. Eager to contribute my strong work ethic and passion for animal welfare to a dedicated team.

WORK EXPERIENCE

Herdsman

Pineapple Enterprises

📅 Feb / 2024-Ongoing

📍 Santa Monica, CA

- 1. Ensured optimal feeding schedules and maintained a balanced diet for the herd.
- 2. Milked cows daily, adhering to hygiene standards and protocols.
- 3. Conducted regular health checks and vaccinations to maintain herd wellness.
- 4. Oversaw the breeding process and managed calf care from birth to weaning.
- 5. Maintained farm equipment and ensured operational readiness for daily tasks.
- 6. Collaborated with team members to streamline farm operations and improve efficiency.
- 7. Documented livestock health and production records for management review.

Herdsman

Crescent Moon Design

📅 Feb / 2023-Feb / 2024

📍 Portland, OR

- 1. Granada, MN - Assisted in the movement and care of pigs, ensuring proper health management.
- 2. Participated in training sessions to enhance knowledge of large feedlot operations.
- 3. Conducted health assessments of cattle, treating sick animals as needed.
- 4. Engaged in metal fabrication projects for feed yard renovations.
- 5. Managed daily operations on a 400-acre farm, focusing on livestock and crop care.
- 6. Performed milking and feeding tasks, ensuring cleanliness and comfort in barns.

EDUCATION

Associate of Applied Science in Animal Science

Ridgewater College
