## WORK EXPERIENCE

### Certified Home Health Aide

Dec / 2017-Ongoing

Maple Leaf Consulting

Toronto, ON

1. Provided compassionate personal care to patients, including bathing, grooming, and dressing, ensuring comfort and dignity.
2. Assisted patients with mobility, including transferring in and out of wheelchairs and using assistive devices.
3. Monitored vital signs and reported changes to nursing staff, ensuring timely medical intervention when necessary.
4. Maintained a clean and safe living environment by performing light housekeeping, laundry, and meal preparation.
5. Educated patients and families on health management and safety practices, promoting independence and well-being.
6. Documented patient progress and care activities accurately in medical records, ensuring compliance with healthcare regulations.
7. Provided emotional support and companionship to patients, enhancing their quality of life through meaningful interactions.

### Head Preschool Teacher/Keyholder

Dec / 2014-Dec / 2017

Crescent Moon Design

Portland, OR

1. Assisted patients with daily living activities, ensuring their comfort and safety at all times.
2. Collaborated with healthcare professionals to develop and implement individualized care plans.
3. Administered medications as prescribed and monitored patients for side effects or complications.
4. Engaged patients in social and recreational activities to promote mental and emotional well-being.
5. Trained new staff on patient care protocols and safety procedures, fostering a collaborative work environment.
6. Administered medications and managed medical equipment for clients, ensuring compliance with prescribed health regimens.
7. Conducted regular safety assessments in clients' homes, reducing the risk of falls and accidents by 30%.
