ACHIEVEMENTS

- Assisted in improving patient satisfaction scores by providing compassionate support during hospital visits.
- Streamlined patient transport processes, reducing wait times by 15% through effective coordination.

PROFESSIONAL SUMMARY

Passionate about supporting healthcare environments, I have two years of experience as a Hospital Volunteer, dedicated to enhancing patient comfort and operational efficiency. My strong interpersonal skills and proactive approach have contributed to a welcoming atmosphere for patients and families. I am eager to continue making a positive impact on patient experiences and collaborating with diverse healthcare teams.

WORK EXPERIENCE

- Asst. Hospital Volunteer
Blue Sky Innovations
Jan / 2024-Ongoing
Chicago, IL
- Transported patients using wheelchairs and gurneys, ensuring safety and comfort during transitions within the hospital.
 - Assisted medical staff by delivering medical records and charts promptly and confidentially.
 - Provided comfort measures to patients awaiting treatment in radiology, enhancing their experience.
 - Coordinated with staff to schedule and manage volunteer assignments, optimizing hospital operations.
 - Answered inquiries at the front desk, guiding patients and families to their destinations.
 - Organized and distributed essential healthcare documents throughout the hospital wings.
 - Supported patients by addressing their needs and ensuring their comfort during waits.

- Hospital Volunteer
Crescent Moon Design
Jan / 2023-Jan / 2024
Portland, OR
- Collaborated with nurses in the maternity ward to assist with daily patient care tasks.
 - Organized patient paperwork at the front desk to streamline the check-in process.
 - Prepared welcome packets for new patients upon admission, ensuring they received essential information.
 - Sorted and filed discharged patient paperwork accurately to maintain organized records.
 - Ensured patient rooms were stocked with necessary supplies such as gloves and soap.

EDUCATION

- Associate of Arts in Health Sciences
Springfield Community College
Jan / 2022-Jan / 2023
Chicago, IL
- Focused on health sciences with courses in patient care, communication, and healthcare ethics.
