### PROFESSIONAL SUMMARY

Dynamic HSE Supervisor with 5 years of comprehensive experience in health, safety, and environmental management. Skilled in developing and enforcing safety protocols that enhance compliance and reduce workplace incidents. Passionate about fostering a proactive safety culture, I am dedicated to driving continuous improvement and ensuring regulatory adherence across diverse industries.

### WORK EXPERIENCE

#### HSE Supervisor

📅 Mar / 2021-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Continuously assessed project work sites for health, safety, and environmental hazards, implementing measures to eliminate or mitigate risks.
2. Developed and enforced policies and procedures that significantly minimized accidents and lost time incidents.
3. Led HSE training initiatives to ensure all personnel were compliant with safety regulations and protocols.
4. Conducted thorough accident and incident investigations, including root cause analysis, to prevent recurrence.
5. Performed environmental baseline surveys and site assessments, generating comprehensive reports for management.
6. Facilitated regular safety meetings and site audits, enhancing team awareness of safety practices.
7. Ensured adherence to federal, state, and client safety standards across all operations.

#### HSE Supervisor

📅 Mar / 2020-Mar / 2021

Crescent Moon Design

📍 Portland, OR

1. Monitored and improved Behavioral Based Safety programs to enhance employee engagement in safety practices.
2. Documented incident and near-miss investigations, analyzing trends to identify areas for improvement.
3. Created and distributed safety documentation aimed at reducing workplace injuries.
4. Developed and implemented corrective action plans for compliance in offshore and land-based oil and gas operations.
5. Facilitated root cause analysis sessions to enhance safety protocols and procedures.
6. Managed the procurement and inspection of safety equipment to ensure optimal performance.
