PERSONAL STATEMENT

Infantry Platoon Sergeant involves multiple aspects, including developing enhanced training capabilities and comprehensive doctrine that are required for full spectrum/multi-domain operations in a joint, combined, and inter-agency environment.

WORK EXPERIENCE

Lead Infantry Platoon Sergeant

ABC Corporation - March 2007 - October 2008

Responsibilities:

- Served as Platoon Sergeant, in the 3rd Infantry Division, HHSC Special Troops Battalion.
- Personally responsible for the health and well being of 21 Soldiers of various backgrounds across the United States to include the professional development of 5 Non Commissioned Officers.
- Planned and administered a variety of tests and surveys issued by company commanders to include health / morale surveys, physical training assessment tests, Soldier common task training tests, and tests specifically related to military training.
- Deployed in support of Operation Iraqi Freedom as a platoon Sergeant in a Combat Maneuvers and Ground Patrol element.
- Assisted the Iraqi community in microeconomic infrastructure building as well as organizing security and town council meetings.
- Helped to establish rules and procedures while recommending effective solutions to problems within the community.
- Responsible for 4 HMMWVs, associated weapons, and platoon equipment valued at over \$1,200,000.

Infantry Platoon Sergeant

Delta Corporation - 2004 - 2007

Responsibilities:

- Community college studying business administration with a concentration in Information Technology.
- Infantry Platoon Sergeant Deployed to Deleram, Afghanistan and operated in Washir Afghanistan.
- Lead 73 subordinates, ensured their wellbeing and their training for future situations and combat.
- Lead in a leadership position above my pay grade due to outstanding leadership skills, dependability, decision making skills, and diligence as a hard worker.
- Lead by example, in doing so subordinates took initiative, and a total of seven men were promoted to the next rank during my time as their leader.
- Continuously trained subordinates increasing their job proficiency resulting in a noticeable difference with in the company among the other 50 to 40 man groups.

- Senior Leadership always trusted my decision making skills, and I was consulted ideas for training plans, and how to solve problems with in the company knowing there would always be a well thought out solution, and execution to the situation at hand.

Education

Associates of Applied Science in SECURITY CLEARANCE - (Yavapai College)
