ACHIEVEMENTS

🌟 Successfully reduced energy costs for clients by an average of 30% through effective insulation installation.

🌟 Completed over 200 insulation projects, consistently meeting safety and quality standards.

PROFESSIONAL SUMMARY

Skilled Insulation Installer with a strong background in installing various insulation materials. Committed to safety and quality, consistently achieving high customer satisfaction ratings and reducing energy loss in buildings.

WORK EXPERIENCE

Principal Insulation Installer

WidgetWorks Inc.

📅 Jan / 2020-Ongoing

📍 Denver, CO

1. Installed insulation in walls, ceilings, and crawl spaces to enhance energy efficiency in both commercial and residential settings.
2. Applied various insulating materials, including foam, batts, and fire caulk, ensuring compliance with industry standards.
3. Engaged with clients to assess needs and provide tailored insulation solutions.
4. Interpreted and executed detailed project specifications and safety instructions.
5. Operated forklifts and managed logistics for insulation material delivery and installation.
6. Utilized staple guns and other tools to secure insulation materials effectively.
7. Collaborated as part of a team to achieve R-value targets using foam, cellulose, and fiberglass products.

Insulation Installer

Cactus Creek Solutions

📅 Jan / 2018-Jan / 2020

📍 Phoenix, AZ

1. Removed outdated insulation and replaced it with cellulose and spray foam to enhance home energy efficiency.
2. Installed solar PV systems and Mitsubishi AC units, contributing to sustainable energy solutions.
3. Completed the first solar panel installation without issues, showcasing technical proficiency.
4. Gained expertise in dense-packing cellulose insulation for maximum efficiency.
5. Operated trucks and rigs for material transport, ensuring timely project completion.

EDUCATION

Associate of Applied Science in Building Construction

City College

📅 Jan / 2016 Jan / 2018

📍 Denver, CO

Focused on construction techniques and materials, including insulation systems.
