PROFESSIONAL SUMMARY

With a robust background as an Interventional Radiology Nurse, I bring over 5 years of specialized experience in providing exceptional care in high-stress environments. My expertise encompasses assisting in complex procedures, ensuring patient safety, and delivering compassionate support throughout the interventional process. I am dedicated to enhancing patient outcomes through continuous education and effective collaboration with interdisciplinary teams.

WORK EXPERIENCE

Interventional Radiology Nurse Jan / 2021-Ongoing
Seaside Innovations Santa Monica, CA

- Executed precise PICC line insertions for a 220-bed facility, enhancing patient access for treatment.
- Collaborated with nurse educators to develop and implement an educational plan for PICC maintenance, promoting ongoing learning among staff.
- Provided training to floor nurses on ultrasound-guided IV access, improving procedural success rates.
- Conducted thorough assessments of all interventional radiology patients, ensuring optimal care delivery.
- Administered conscious sedation to patients, monitoring vital signs and patient responses during interventional procedures.
- Monitored cardiac rhythms via telemetry throughout procedures, ensuring immediate response to any changes.
- Collaborated with radiologists to develop and implement patient care plans for complex procedures.

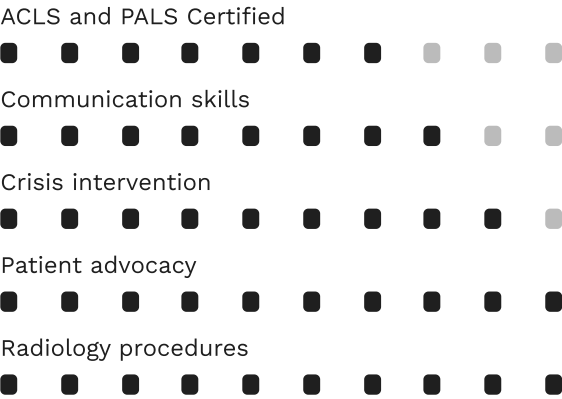

Interventional Radiology Nurse Jan / 2020-Jan / 2021
Cactus Creek Solutions Phoenix, AZ

- Supported the care and recovery of interventional radiology patients, ensuring comfort and safety.
- Assisted in various interventional procedures, including biopsies and imaging, while providing sedation and monitoring.
- Recorded and managed patient medical information, ensuring accurate documentation for vascular procedures.
- Conducted necessary laboratory tests, such as potassium level checks, prior to procedures.
- Administered premedications to prevent allergic reactions, enhancing patient safety.

EDUCATION

Bachelor of Science in Nursing Jan / 2019-Jan / 2020
University of Health Sciences Phoenix, AZ
Completed comprehensive nursing education with a focus on clinical practice and patient care.
