PROFESSIONAL SUMMARY

Aspiring Java UI Developer with 2 years of hands-on experience in developing user-friendly web interfaces. Skilled in Java, HTML, CSS, and JavaScript, I focus on creating seamless user experiences. My collaborative spirit and commitment to agile methodologies drive me to contribute effectively to team projects, delivering high-quality applications that fulfill user expectations.

WORK EXPERIENCE

Java UI Developer Trainee
Pineapple Enterprises

📅 Apr / 2024-Ongoing
📍 Santa Monica, CA

1. Developed and deployed web components using Java and JSP, enhancing application functionality.
2. Collaborated with cross-functional teams to implement user interface designs based on client specifications.
3. Utilized HTML, CSS, and JavaScript to create interactive and responsive web pages.
4. Engaged in code reviews and refactoring to improve code quality and maintainability.
5. Implemented AJAX to enhance user experience through asynchronous page updates.
6. Designed and integrated RESTful APIs with front-end applications for seamless data exchange.
7. Participated in daily stand-ups and sprint planning as part of an agile development team.

Java Ui Developer
Cactus Creek Solutions

📅 Apr / 2023-Apr / 2024
📍 Phoenix, AZ

1. Contributed to the design of a web application using MVC architecture with Struts and JSP.
2. Developed user interfaces with responsive designs to ensure compatibility across devices.
3. Enhanced application performance by optimizing JavaScript and CSS code.
4. Worked with backend developers to integrate Java-based services with front-end applications.
5. Utilized version control systems to manage code changes and collaborate with team members.
6. Engaged in user testing sessions to gather feedback and iterate on UI improvements.

EDUCATION

Bachelor of Science in Computer Science
State University

📅 Apr / 2022-Apr / 2023
📍 Portland, OR

Focused on software development principles, web technologies, and user interface design.
