SKILLS

Daily Caretaking Needs Of Animals, Clean And Disinfect Animal Enclosures, Administer Medication To Patients, Properly Restrain Animals For Vets & Techs, Maintain Patient Charts That Document Daily Care

WORK EXPERIENCE

Kennel Technician / Team Lead

ABC Corporation - April 2016 – April 2019

- Performed animal grooming duties such as washing, brushing, clipping, and trimming coats, cutting nails, and cleaning ears.
- Mixed food, liquid formulas, medications, or food supplements according to instructions, prescriptions, and knowledge of animal species.
- Attended to boarding and grooming animals, keeping kennels clean as well as letting pets outside to play.
- Sterilized all surgery equipment, did laundry, clean and mop hospital, and assisted nurses and doctors with anything they needed.
- Monitored animals recovering from surgery and notified veterinarians of any changes.
- Advised animal owners regarding sanitary measures, feeding, general care, medical conditions and treatment options.
- Communicated with all clients about boarding their pets, and explaining all requirements and caretaking procedure.

Kennel Technician Intern

ABC Corporation - May 2015 – October 2015

- Assisted in the intake of stray animals, helped with the housing and care of homeless animals and coordinated adoptions.
- Cleaned kennels, animal holding areas, examination, and operating rooms, and animal loading/unloading facilities.
- Assisted veterinarians and veterinary technicians, with annual appointments and exams, by restraining animals, collecting samples such as blood or feces and running routine lab tests and administering inoculations.
- Communicated with pet owners during drop-off and pick-up about animals needs.
- Kept up with clinic landscaping by mowing, planting flower and leaf blowing as needed.
- Clean kennels, runs and litter boxes, while feeding and giving water and medication if needed to all animals.
- Helped potential adopters with questions on the animals they were interested in adopting.
