SUMMARY

Goal-oriented management professional with excellent organizational and interpersonal skills seeks opportunities to contribute expertise while working for a reputable organization.

CORE COMPETENCIES

Graphic Design, Team Member.

PROFESSIONAL EXPERIENCE

Layout Artist

ABC Corporation - 1984 – 1996

Key Deliverables:

- Collaborated with a team from concept to finished products that included brochures, ads, standalone articles, and magazines.
- Layout and design of print advertising.
- Prepared weekly publications, photos, and advertisements during the transition from glue and scissors scenario to computerized operation.
- Responsible for the layout and production of information bulletins delivered on a weekly basis.
- Designed secondary catalogs; responsible for art-directing new product photoshoots (storyboard developed for layout).
- Generated hand-rendered storyboards; illustrated patterns for cloth banners; designed signet seals and other metal hardware from computer drawings.
- Recognized for creative contributions by management and served on Quality Council Board; Greenwich and Maine.
