PROFESSIONAL SUMMARY

Experienced Lead Care Manager with 10 years of expertise in enhancing patient care for individuals with dementia and Alzheimer's. Proficient in developing customized care plans, leading multidisciplinary teams, and advocating for residents' needs. My commitment to improving quality of life drives my passion for delivering compassionate, effective care tailored to each individual.

WORK EXPERIENCE

Lead Care Manager/Med Tech

📅 Apr / 2018-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Oversee daily operations of a 40-bed dementia unit, ensuring optimal patient care and safety.
2. Implement person-centered care practices, enhancing the quality of life for residents.
3. Delegate responsibilities among care managers, fostering teamwork and accountability.
4. Assist with administrative tasks, including scheduling and maintaining accurate care plans.
5. Monitor resident well-being, providing interventions for crisis situations as necessary.
6. Manage inventory of medical supplies, ensuring availability and compliance with regulations.
7. Conduct staff training sessions to improve care standards and operational efficiency.

Lead Care Manager

📅 Apr / 2015-Apr / 2018

Crescent Moon Design

📍 Portland, OR

1. Support residents with daily activities, ensuring dignity and respect in all interactions.
2. Collaborate with healthcare coordinators to update and implement comprehensive care plans.
3. Maintain a clean and safe environment, adhering to health and safety standards.
4. Administer medications accurately, monitoring residents for any adverse reactions.
5. Encourage resident independence while providing assistance as needed.
6. Document daily activities and changes in resident conditions for ongoing assessment.

EDUCATION

Bachelor of Science in Nursing

📅 Apr / 2012-Apr / 2015

University of Health Sciences

📍 Phoenix, AZ

Focused on nursing practices, patient care, and health management.
