PROFESSIONAL SUMMARY

Dedicated Diver with 2 years of experience in underwater operations, skilled in equipment maintenance, safety protocols, and underwater welding. Committed to ensuring safety and efficiency in all diving activities.

WORK EXPERIENCE

Diver/Analyst

📅 Dec / 2023-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Monitored dive lengths and depths, ensuring compliance with safety regulations and registering with authorities.
2. Maintained and inspected diving equipment, including helmets, masks, and air tanks, to ensure optimal performance.
3. Executed dives using scuba gear, collaborating with diver helpers for safe descents and ascents.
4. Performed underwater welding and cutting tasks, utilizing specialized equipment for structural repairs.
5. Recovered sunken objects by rigging and operating winches, ensuring safe retrieval operations.
6. Conducted underwater surveys for offshore projects, contributing to data collection and analysis.
7. Installed and repaired underwater pipelines and valves, ensuring operational integrity and safety.

Diver

📅 Dec / 2022-Dec / 2023

Silver Lake Enterprises

📍 Seattle, WA

1. Implemented safety precautions by monitoring dive parameters and ensuring compliance with regulations.
2. Conducted thorough checks and maintenance of diving gear, ensuring readiness for expeditions.
3. Utilized scuba gear for underwater operations, ensuring effective communication with team members.
4. Executed underwater cutting and welding tasks, adhering to safety standards and project specifications.
5. Managed the recovery of submerged objects, coordinating with crane operators for efficient lifting.
6. Performed inspections and repairs on underwater piping systems, maintaining operational efficiency.
7. Engaged in environmental cleanup efforts, removing debris and pollution from marine environments.

EDUCATION

Associate of Applied Science in Diving Technology

📅 Dec / 2021-Dec / 2022

Florida Keys Community College

📍 Portland, OR

Focused on commercial diving techniques, underwater welding, and safety protocols.

SKILLS

Underwater Operations
