

HENRY WALKER

Java Development Team Lead

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Dynamic Java Development Team Lead with a decade of experience in designing and deploying scalable Java/J2EE applications. Skilled in full SDLC, team leadership, and Agile methodologies, leveraging technologies like Spring and Hibernate. Proven ability to drive project success through innovative solutions and effective collaboration across cross-functional teams.

WORK EXPERIENCE

Java Development Team Lead

WidgetWorks Inc.

📅 Feb / 2018-Ongoing

📍 Denver, CO

1. Managed a team of developers to deliver high-quality Java applications, ensuring adherence to coding standards and best practices.
2. Streamlined project workflows by integrating Agile methodologies, resulting in a 25% increase in team efficiency.
3. Designed and developed robust web applications using JSP, JSF, and Struts frameworks, enhancing user experience.
4. Utilized MyBatis and iBatis for efficient data access and ORM, improving application performance.
5. Collaborated with cross-functional teams to gather requirements and deliver solutions that meet business needs.
6. Conducted code reviews and implemented best practices to ensure high code quality and maintainability.
7. Provided technical guidance and mentorship to junior developers, fostering a collaborative team environment.

Lead Java Developer

Cactus Creek Solutions

📅 Feb / 2015-Feb / 2018

📍 Phoenix, AZ

1. Led the development of a customer account management portal, improving user engagement and satisfaction.
2. Enhanced application performance by optimizing JSPs and implementing Struts tag libraries.
3. Facilitated regular team meetings to discuss architectural changes, resulting in improved application scalability.
4. Maintained the Struts architecture throughout the application lifecycle, ensuring consistency and reliability.

EDUCATION

Master of Science in Computer Science

University of California

📅 Feb / 2012-Feb / 2015

📍 Toronto, ON

Specialized in software development and system architecture.
