Looking for a chance to prove myself, find something long term to grow individually and sharpen skills. Monitoring/Assessing performance of yourself, other individuals, or organizations to make improvements or take corrective action.

EXPERIENCE

Lead Machine Operator III

Carl Buddig & Company - 2015 - 2020

- Meet production requirements (pounds per week) outlined by Packaging Manager or Supervisor.
- Complete all necessary paperwork on time and in an accurate fashion.
- Set up and change packaging line equipment specifications on an as-needed basis.
- Make equipment adjustments to maximize production efficiency.
- Complete all paperwork and mandatory production checks.
- Maintain line in a clean and sanitary manner at all times.
- Ensure that employees are abiding by all Carl Buddig and Company policies via the Employee Handbook and Safety Manual.

Lead Machine Operator

Delta Corporation - 2007 - 2012

- Supervised the activities of up to 10 machine operators.
- Inspected work areas and operating equipment to ensure conformance to established standards in areas such as cleanliness and maintenance.
- Observed and evaluated workers performance to ensure quality service and compliance with specifications and to company standards. Met with managers and other supervisors to stay informed of changes affecting operations and to solve work-related problems.
- Sorted, graded, weighed, and inspected products, verifying and adjusting product weight or measurement to meet specifications.
- Observed machine operations to ensure quality and conformity of filled or packaged products to standards.
- Monitored the production line, watching for problems such as pile-ups, jams, or glue that isn't sticking properly.
- Attached identification labels to finished packaged items, or cut stencils and stencil information on containers, such as lot numbers or shipping destinations.
