PROFESSIONAL SUMMARY

Compassionate Learning Support Teacher skilled in developing individualized education plans (IEPs) that cater to diverse learning needs. Successfully increased student engagement and achievement through innovative teaching methods.

WORK EXPERIENCE

Learning Support Teacher

Seaside Innovations

📅 Jan / 2018-Ongoing

📍 Santa Monica, CA

1. Developed and implemented engaging lessons in Physical Science, Earth Science, Biology, and Environmental Science tailored for diverse special education students in grades 9-12.
2. Adapted instructional methods based on individual IEPs and ongoing assessments to meet each student's unique learning needs.
3. Managed a special education caseload of approximately 15 students, ensuring consistent progress monitoring.
4. Collaborated with educators to create and implement behavior plans, enhancing student academic and social success.
5. Trained new staff on the Easy IEP system, fostering a collaborative approach to student support.
6. Utilized a variety of instructional techniques to promote active learning, including small group instruction and problem-solving activities.
7. Facilitated ongoing communication with parents and guardians to support student progress and engagement.

Learning Support Teacher

Crescent Moon Design

📅 Jan / 2015-Jan / 2018

📍 Portland, OR

1. Managed a caseload of thirteen Special Education students with diverse diagnoses, including Autism Spectrum Disorder.
2. Co-taught Reading, Pre-Algebra, and English classes, ensuring alignment with individual learning goals.
3. Collaborated with parents, administration, and support staff to maximize student success in an inclusive setting.
4. Delivered small group instruction in resource rooms, focusing on individualized learning strategies.
5. Assessed student needs and provided targeted support for grades 3-12, enhancing learning outcomes.
6. Developed individualized education plans (IEPs) for 30+ students, improving academic performance by 25%.
