

EMMA JOHNSON

Lease Operator

PROFESSIONAL SUMMARY

Dynamic Lease Operator with 7 years of extensive experience in oil and gas production management. Proficient in optimizing production processes, ensuring safety compliance, and executing effective maintenance strategies. Committed to enhancing operational efficiency and fostering collaboration within teams to achieve ambitious production targets.

WORK EXPERIENCE

Lease Operator

Apr / 2020-Ongoing

Maple Leaf Consulting

Toronto, ON

1. Ensure proper handling and disposal of hazardous materials.
2. Effectively operated artificial lift equipment, including downhole pumps and programmable controllers, to maximize production output.
3. Conducted daily inspections of oil and gas leases, ensuring compliance with safety regulations.
4. Communicate effectively with team members and management.
5. Calculated and reported daily produced gas volumes from gas meters.
6. Monitored and documented plunger runs on non-automated wells to maintain production efficiency.
7. Performed monthly inspections and tests on plunger lift wells to ensure optimal performance.

Lease Operator

Apr / 2018-Apr / 2020

Silver Lake Enterprises

Seattle, WA

1. Led daily operations of multiple oil and gas wells, ensuring efficient use of SAMS variable speed controllers and gas lift technology.
2. Supervised the operation and maintenance of compressors, dehydration units, and related surface drive equipment.
3. Utilized various chemical treatments to optimize production and maintain equipment functionality.
4. Executed monthly preventative maintenance on pumping units and compressors, ensuring operational reliability.
5. Coordinated on-site jobs with contracted service companies, enforcing strict adherence to safety regulations.
6. Compiled detailed production reports using EVIN software and Excel, enhancing data accuracy.

EDUCATION

Associate of Applied Science in Petroleum Technology

Apr / 2016 - Apr / 2018

Texas State Technical College

Seattle, WA

Focused on oil and gas production techniques and safety protocols.
