

WILLIAM PEREZ

Licensed Practical Nursing

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Enthusiastic LPN with 2 years of hands-on experience in diverse healthcare environments, adept at providing compassionate patient care. Skilled in medication administration, vital sign monitoring, and collaborating with multidisciplinary teams to enhance patient outcomes. Looking forward to utilizing my clinical expertise and dedication to patient wellness in a thriving nursing setting.

WORK EXPERIENCE

Licensed Practical Nursing

📅 Apr / 2024-Ongoing

WidgetWorks Inc.

📍 Denver, CO

- Administered prescribed medications and intravenous fluids, monitoring patients' conditions and documenting changes accurately.
- Provided basic patient care, including taking vital signs, wound dressing, and catheterization.
- Delivered compassionate in-home care to terminally ill patients, addressing their needs and comfort.
- Collaborated with interdisciplinary teams to plan and modify care interventions based on patient needs.
- Prepared patients for tests and procedures, while efficiently collecting laboratory specimens.
- Ensured compliance with departmental policies in delivering patient care.
- Maintained accurate documentation in accordance with hospital policies.

Licensed Practical Nursing

📅 Apr / 2023-Apr / 2024

Silver Lake Enterprises

📍 Seattle, WA

- Conducted home care visits for pediatric, adult, and geriatric patients, performing assessments and medication administration.
- Administered G-tube feedings and managed tracheostomy care for patients requiring specialized support.
- Facilitated communication between case managers, physicians, and family members to coordinate patient care.
- Maintained thorough and accurate documentation of patient progress and care activities.
