### ACHIEVEMENTS

- ★ Achieved a 20% increase in operational efficiency through improved equipment handling techniques.
- ★ Successfully led a team to complete a project 15% under budget while maintaining safety standards.

### PROFESSIONAL SUMMARY

Experienced Light Equipment Operator with over 7 years of proficiency in operating and maintaining diverse machinery, including excavators and compactors. Dedicated to upholding safety standards and improving operational workflows, I excel in collaborating with teams to achieve project goals efficiently. I am eager to apply my skills in equipment management to drive productivity and enhance project outcomes.

### WORK EXPERIENCE

#### Light Equipment Operator

📅 Mar / 2020-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Operated and maintained various light equipment, including excavators, compactors, and loaders, ensuring optimal performance.
2. Conducted routine inspections and performed preventative maintenance to minimize equipment downtime.
3. Collaborated with team members to execute projects efficiently, adhering to safety protocols and quality standards.
4. Assisted in logistical planning and material handling to streamline operations.
5. Trained junior operators on equipment operation and safety practices to enhance team performance.
6. Monitored and documented equipment usage and maintenance records for compliance and operational analysis.
7. Participated in emergency response drills to ensure readiness and safety on job sites.

#### Light Equipment Operator

📅 Mar / 2018-Mar / 2020

Cactus Creek Solutions

📍 Phoenix, AZ

1. Operated Elgin sweeper and John Deere crawler loader, ensuring effective street maintenance and cleanliness.
2. Managed snow and ice control operations, maintaining safe road conditions during winter months.
3. Executed road repairs, including pothole patching and catch basin rebuilding, contributing to community safety.
4. Assisted in traffic management during construction projects, ensuring safety for workers and the public.
5. Participated in custodial duties and facility maintenance, supporting overall operational efficiency.
6. Performed equipment setup for roadwork projects, ensuring timely completion of tasks.

### EDUCATION

#### Associate of Applied Science in Heavy Equipment Technology

📅 Mar / 2016 - Mar / 2018

City College of Technology

📍 Phoenix, AZ

Focused on the operation and maintenance of heavy machinery, including safety practices and mechanical repair.
