LOCAL TRUCK DRIVER I - ABC CORPORATION

- Load, unload, secure and transport heavy and oversized equipment throughout the northeast.
- Enjoyed the type of work, it was very rewarding.
- Since having the opportunity to do that type of work, prefer to get back doing something similar.
- This employer was satisfied with my performance and work ethic and consider me returnable.
- Skills Used Safely loading and unloading various types of heavy equipment, such as bulldozers, excavators, wheel loaders, etc.
- Properly chaining and securing loads, breaking down and reconnecting RGN trailers.
- Loading and unloading daily, sometimes up to three times daily.

2010 - 2015

LOCAL TRUCK DRIVER - ABC CORPORATION

- Local JIT runs back and fourth to BMW and later doing relay runs of aftermarket BMW parts to Tennessee from South Carolina.
- Left this company because of a difference of opinions.
- Was in a accident in the mountains of nc on one of there relay runs.
- A car was drifting into my lane and as I was trying to get over as far as I could I hit a guard rail and went over the bridge.
- They said I shouldve hit them it would be there fault.
- Told them if I wouldve hit there Miata I wouldve killed them.
- Was fired for a (bad call) but I can sleep at night knowing I didnt kill anybody.
