ACHIEVEMENTS

- Increased daily production by 30% through efficient tree felling techniques.
- Implemented safety protocols that resulted in zero accidents over one year.

PROFESSIONAL SUMMARY

Passionate Logger and Operations Coordinator with two years of practical experience in tree felling and heavy machinery operation. Proficient in using chainsaws and log skidders, I prioritize safety and operational efficiency. Committed to advancing sustainable forestry practices while contributing effectively to team goals in a challenging outdoor environment.

WORK EXPERIENCE

- Logger/Operations Coordinator
Blue Sky Innovations
Feb / 2024-Ongoing
Chicago, IL
- Executed tree felling operations, consistently meeting daily production quotas.
 - Operated various heavy machinery, including dozers and skidders, ensuring efficient loading and transport of logs.
 - Maintained a safe work environment, adhering strictly to industry safety standards.
 - Enhanced productivity by implementing effective logging techniques.
 - Conducted routine maintenance on equipment to ensure optimal performance.
 - Collaborated with team members to improve operational workflows.
 - Documented daily logs and production metrics for performance tracking.

- Logger
Silver Lake Enterprises
Feb / 2023-Feb / 2024
Seattle, WA
- Regularly assessed and trimmed marked trees to optimize logging operations.
 - Performed repairs on chainsaws, skidders, and loaders to minimize downtime.
 - Engaged with log buyers to secure competitive pricing for products.
 - Maintained accurate records of expenditures and income for financial oversight.
 - Provided consistent support to family business operations, ensuring sustainability.
 - Focused on accident prevention through diligent equipment checks and maintenance.

EDUCATION

Associate of Applied Science in Forestry
Forest Grove Community College
Feb / 2022-Feb / 2023
Denver, CO

Studied sustainable forestry practices, forest ecology, and logging operations.
