👤 PROFESSIONAL SUMMARY

Results-driven Logistics Operations Manager with over 10 years of experience optimizing supply chain processes, enhancing operational efficiency, and leading cross-functional teams to achieve strategic goals.

💻 WORK EXPERIENCE

Logistics Operations Manager III

📅 Dec / 2017-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Directed logistics operations for a military base, overseeing 200+ personnel and ensuring efficient supply chain management.
2. Analyzed operational data to identify inefficiencies and implement corrective actions.
3. Generated comprehensive reports on logistics performance, enhancing decision-making processes.
4. Collaborated with management to strategize logistics planning and resource allocation.
5. Achieved a 100% rating on quarterly evaluations by optimizing logistics operations.
6. Trained and mentored staff on best practices in logistics and supply chain management.
7. Enhanced communication between departments to streamline logistics workflows and improve service delivery.

Logistics Operations Manager

📅 Dec / 2014-Dec / 2017

Cactus Creek Solutions

📍 Phoenix, AZ

1. Oversaw logistics operations for the largest field tomato grower in the U.S., managing multiple sites effectively.
2. Increased profitability of in-house logistics by over 400% (\$500K) in the first year through strategic initiatives.
3. Established strong carrier relationships, reducing reliance on external brokers.
4. Developed a customer base that generated over \$200K in revenue within the first year.
5. Mentored sales and operations staff, enhancing customer relations and service quality.

🎓 EDUCATION

Bachelor of Science in Logistics

📅 Dec / 2011-Dec / 2014

University of Southern California

📍 Denver, CO

Focused on supply chain management, logistics operations, and inventory control.
