PROFESSIONAL SUMMARY

Experienced LPN with 7 years of diverse clinical expertise in patient care delivery. Proficient in medication administration, vital signs monitoring, and patient education, I thrive in collaborative healthcare environments. My dedication to enhancing patient outcomes through evidence-based practices and compassionate care drives my commitment to the nursing profession.

WORK EXPERIENCE

Lpn Nurse Apr / 2020-Ongoing
Maple Leaf Consulting Toronto, ON

1. Provided skilled nursing interventions to address patient illness, rehabilitation, and preventative care needs.
2. Applied a holistic approach to deliver therapeutic interventions and education aligned with individual care plans.
3. Collaborated with healthcare teams to ensure adherence to clinical standards and achieve patient-centered goals.
4. Consulted with RN Supervisors to make necessary adjustments to treatment plans.
5. Facilitated communication of physician orders to nursing staff, ensuring compliance with regulations.
6. Utilized evidence-based practices to implement nursing care plans focused on individualized outcomes.
7. Maintained ongoing communication with patients, families, and healthcare professionals to support care continuity.

LPN Nurse Apr / 2018-Apr / 2020
Summit Peak Industries Denver, CO

1. Provided in-home care for pediatric patients, ensuring comfort and safety.
2. Accurately documented vital signs and patient observations to inform care plans.
3. Accompanied clients to medical appointments and provided necessary support.
4. Executed daily therapeutic treatments as prescribed, including nebulizer therapy.
5. Documented nursing notes electronically with precision and clarity.
6. Administered medications according to physician directives, ensuring patient adherence.
