### PROFESSIONAL SUMMARY

Innovative MAC Operator with two years of hands-on experience in machine operation and workflow enhancement. Demonstrates a strong aptitude for troubleshooting and ensuring quality standards while collaborating effectively with team members. Committed to utilizing technical skills to streamline processes and elevate production efficiency in dynamic environments.

### WORK EXPERIENCE

#### MAC Operator

Pineapple Enterprises

📅 Mar / 2024-Ongoing

📍 Santa Monica, CA

1. Executed typesetting and layout adjustments for seamless integration with prepress systems, ensuring high-quality output.
2. Utilized Macintosh systems for creating and editing magazine pages, demonstrating proficiency in graphic design software.
3. Designed and proofread retail and classified ads, ensuring accuracy and adherence to client specifications.
4. Edited client graphics for print production, focusing on resizing, color matching, and Pantone accuracy.
5. Collaborated with the pre-press team to ensure files were press-ready, conducting thorough proofing and corrections.
6. Addressed and resolved client feedback on file modifications, maintaining high customer satisfaction.
7. Verified the accuracy of text and image layouts for both offset and digital printing, adhering to industry standards.

#### MAC Operator

Crescent Moon Design

📅 Mar / 2023-Mar / 2024

📍 Portland, OR

1. Maintained operational efficiency by performing routine machine checks and preventative maintenance.
2. Supported production teams by troubleshooting equipment issues promptly to minimize downtime.
3. Developed and implemented standard operating procedures for machine usage and safety.
4. Conducted training sessions for new staff on equipment handling and operational protocols.
5. Assisted in the coordination of equipment upgrades and software installations, ensuring minimal disruption to production.
6. Analyzed workflow processes to identify areas for improvement and implemented solutions that increased productivity.

### EDUCATION

#### Associate of Applied Science in Graphic Design

Tech University

📅 Mar / 2022 Mar / 2023

📍 Chicago, IL

Focused on visual communication, design principles, and software applications in graphic design.
