ACHIEVEMENTS

- 🌟 Improved assembly efficiency by 20% through process optimization.
- 🌟 Successfully trained 5 new employees on assembly techniques and safety protocols.

PROFESSIONAL SUMMARY

With a decade of experience as a Mechanical Assembly Specialist, I excel in assembling sophisticated machinery and ensuring optimal functionality. My expertise includes interpreting complex blueprints, utilizing advanced hand and power tools, and enforcing strict quality standards. I am dedicated to enhancing production efficiency while upholding safety protocols in fast-paced environments.

WORK EXPERIENCE

Mechanical Assembly Specialist - Machine Assembler
Quantum Solutions LLC
📅 Apr / 2018 - Ongoing 📍 Phoenix, AZ

- Utilized various fixtures, gauges, and assembly tools to assemble and adjust precision machinery.
- Conducted thorough inspections of electrical and mechanical performance to ensure compliance with specifications.
- Reported equipment malfunctions and recommended corrective actions to enhance machine reliability.
- Adhered to environmental health and safety regulations, maintaining a safe working environment.
- Executed housekeeping duties following 5S principles to optimize workspace efficiency.
- Collaborated with team members to achieve departmental production goals and objectives.
- Maintained assembly equipment and ensured the assembly area met operational standards.

Machine Assembler
Silver Lake Enterprises
📅 Apr / 2015-Apr / 2018 📍 Seattle, WA

- Operated the refurbish line, performing quality assurance checks on materials before shipment.
- Managed shipping and receiving processes to ensure timely delivery of products.
- Installed electrical wiring from components to cabinets, including motors and servo drives.
- Assembled complex custom packing equipment with precision and efficiency.
- Executed machine assembly of high-speed food processing equipment, including out-of-state projects.
- Efficiently assembled wafer fabrication machines while adhering to strict quality standards.

EDUCATION

Associate of Applied Science in Mechanical Engineering Technology
Tech Valley Community College
📅 Apr / 2012 - Apr / 2015 📍 Denver, CO

Focused on mechanical assembly principles, blueprint reading, and quality assurance methodologies.
