

OLIVIA SMITH

Machine Technician

PROFESSIONAL SUMMARY

Versatile Machine Technician with 5 years of extensive experience in operating and maintaining industrial machinery. Adept at executing preventative maintenance, troubleshooting mechanical issues, and ensuring compliance with safety standards. Driven to enhance productivity and optimize machine performance through effective problem-solving and attention to detail.

WORK EXPERIENCE

Machine Technician Apr / 2022-Ongoing
Seaside Innovations Santa Monica, CA

1. Maintained performance standards for assembly, production, quality, safety, and cleanliness.
2. Executed minor adjustments and repairs on equipment under supervision, ensuring optimal functionality.
3. Utilized inspection tools such as gauges and calipers to verify quality of parts and completed units.
4. Performed assembly and production duties independently, meeting tight deadlines.
5. Managed the organization and storage of air tools to maintain an efficient workspace.
6. Assisted with the setup and relocation of machinery using forklifts and specialized equipment.
7. Ensured compliance with environmental and safety regulations.

Machine Technician Apr / 2020-Apr / 2022
Lakeside Apparel Co Chicago, IL

1. Progressed from an entry-level factory worker to a skilled machine operator, mastering press operations.
2. Achieved recognition for producing the highest quality parts within the production team.
3. Demonstrated pride in craftsmanship while manufacturing components for major automotive brands.
4. Interpreted blueprints and specifications to create high-quality parts accurately.
5. Conducted density and hardness checks using precision instruments like calipers and micrometers.
6. Gained experience operating various machinery, including CNC machines and hydraulic presses.

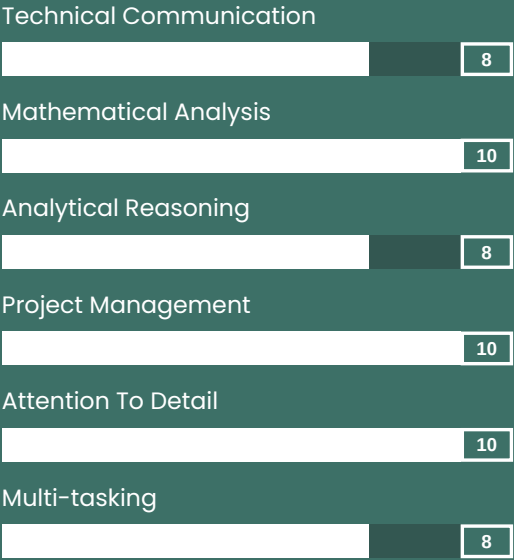

EDUCATION

Associate of Applied Science in Machine Technology Apr / 2018 - Apr / 2020
Richmond Community College Santa Monica, CA

Focused on hands-on training in machine operation, maintenance, and safety protocols.
